Members;

First off, let's welcome Tony Miller as our latest new member to sign up.

Secondly, I know it's belated but I'd like to recognize and thank all of our veterans for their service to protecting our country and our rights. I truly appreciate you and your courage in service, as should every American.

Next on the agenda is the Thanksgiving holiday list which is already posted. I will be doing everything I can to try and make sure everybody gets to spend the holiday the way they want to and has an opportunity to load up on turkey and football. I will be spending the next few days trying to work out a reasonable staffing package since management obviously can't perform this task themselves.

We will be having a retirement breakfast for Gary Dreher and Tom Kase on 11/21. Check both of the NPMHU bulletin boards for details.

There will be a branch meeting on December 12th. The details are posted on both Union boards and on this website. The meeting features the gift certificate drawing. I have changed the way we will be awarding certificates, so please check the posting for the new guidelines.

I'm sure there are a lot of questions about the new APBS jobs, holiday schedules, and the stories going around the floor about time changes and such. Please feel free to stop in and ask me for answers or updates.

Stay United, Stay Strong-

Sean
