read notes from last meeting minutes

Barry spoke on domestic violence and looking for resources for both in our individual areas.

- We discussed insulin and breast milk fridges

11:38 - Talked about prayer rooms in our buildings

11:40 - We talked about the breast cancer awareness walk, Next year and then every other year after. Each member is to take a year to organize a walk in their area. We need to collect money for shirts for the walk. Shirts will cost \$10-15 for members and non members. John will order the shirts. A check will be donated to the Susan B. Korman organization. We discussed voting on either short/long sleeve shirts for the walk.

11:48 - A brief discussion about suggestion boxes.

11:50 - Talked about EAP and their resources.

11:51 - Our next meeting in the union hall will be in the Spring.

11:54 - Came back to the suggestion box. Rama has to find a location for her suggestion box. Same as I. There was a discrepancy with the name of the suggestion box and the Post Office because it isn't part of the Post Office. We need ideas for names for the suggestion box if there are any issues that arise with the usage of them in the building.

11:59 - meeting concluded.

Next meeting is scheduled for January 22, 2025.
