SUBJECT: Scranton Branch Union Meeting

Attention all Members,

Our Scranton Branch Union meeting is scheduled for Saturday, November 9, 2024 at 2pm located at Joyce's Café for all Mail Handler Union members. Joyce's is located at 2734 Birney Avenue, Scranton, PA 18507 just a few blocks from the plant. All members are urged to attend, especially with all the rumors and speculation. Plus, major changes are coming to the *health plan system*. We will talk about the facts as currently known.

The meeting also will be attended by our Local 308 President and Vice President Eastern Region, John Gibson and Local 308 Treasurer Mike Rembelinsky. If anyone wishes to order food, it should be made during the meeting with the Union picking up the tab. Food orders can begin to be placed at the start of the meeting, so if you are working later and have to leave before the meeting ends you can eat first or take it to go.

Pertinent issues will be discussed along with National and Local priorities, staffing issues, conversions, job postings, any plant issues, anything new on the *10 year postal plan*, Local 308 financial status and other issues. Also, major changes coming to the health plan system is upon us. Treasurer Mike Rembelinsky is currently attending an informational seminar on this topic and will be glad to answer your questions. Now is a good time to consider the Mail Handler Health plan!! Please make every effort to attend and bring your questions.

The *Holiday Gift Certificate Raffle* will also be drawn among those present. The gift certificates are \$50 each and we will be raffling off 5. Good luck and see you there!!

Yours in Solidarity,

Robert A. Glycenfer
Branch President
