Memorandum

TO: All Mail Handler Union Members

DATE: Saturday, June 20, 2026 @2pm

SUBJECT: Scranton Branch Union Meeting

Attention all Members,

Our Scranton Branch Union meeting is scheduled for Saturday June 20, 2026 at 2pm located at Joyce's Café for all Mail Handler Union members. Joyce's is located at 2734 Birney Avenue, Scranton, PA 18507 just a few blocks from the plant. All members are urged to attend!

The meeting also will be attended by our Local 308 President and Vice President Eastern Region, John Gibson and Local 308 Treasurer Mike Rembelinsky. Get the latest intel on National contract negotiaton as well as what's going on around the facilities in Local 308 as well. If anyone wishes to order food, it should be made during the meeting with the Union picking up the tab. Food orders can begin to be placed at the start of the meeting, so if you are working later and have to leave before the meeting ends you can eat first or take it to go.

Pertinent issues will be discussed along with National and Local priorities, staffing issues, conversions, job postings, any plant issues, anything new on the *10 year postal plan*, Local 308 financial status and other issues. Also please consider especially now, a payroll allotment to the Mail Handlers PAC fund. It's easy to set up. This is a political action fund used to represent mail handler issues important to our craft and employment. Start out with \$2 a pay. You will never miss it! What's \$2? Go from there.

Please make every effort to attend and bring your questions!

Yours in Solidarity,

Robert A. Glycenfer
Branch President
Scranton, PA
