Attention all Members,

Our Scranton Branch Union meeting is **rescheduled** for Saturday, December 9, 2023 at 2pm at Joyce's Café for all Mail Handler Union members. For the new members whom would like to attend, Joyce's is located at 2734 Birney Avenue, Scranton, PA 18507 just a few blocks from the plant. All members are urged to attend.

The meeting also will be attended by our Local 308 President and Vice President Eastern Region, John Gibson and Local 308 Treasurer Mike Rembelinsky. If anyone wishes to order food, it should be made during the meeting with the Union picking up the tab. Food orders can begin to be placed at the start of the meeting.

Pertinent issues will be discussed along with National and Local priorities, including contract book distribution, staffing issues, conversions, job postings, plant issues, *the 10 year postal plan*, Local financial status and other issues. Most recently, new announcements were made concerning "the 10 year plan" both Nationally and within Local 308. Feasibility studies are now being conducted within our Local at Trenton, Delaware and Lehigh Valley. Please make every effort to attend.

The Holiday gift certificate raffle will also take place among those present. This year there will be 6 certificates worth \$50 each.

Yours in Solidarity,
