Dear Union Representatives:

This is an update to our June 12, 2017 letter concerning Clerk and Mail Handler impacts in the South Jersey PDC as well as the Clerk impact in the Trenton PDC. The South Jersey District has cancelled these events and therefore we are withdrawing from Article 12 withholding.

The Clerk impact for the Wilmington PDC remains active however the impact has been reduced to twenty (20) level 6 Clerks. We remain under withholding for this event. Please find attached an updated Impact Statement and post excessing documents that shows the bids that will exist after the impact. The movement for this event will occur on February 3, 2018.

If you have any further questions, please contact Area Labor Relations Specialist Ken Botknecht at
